

AOL Users Spam Filter Settings

To Set up your AOL Email Account to properly receive email from JSS Software Mailing Lists you will need to access your AOL Mailbox and Click on **Spam Filters** at the bottom of the page or use the Dropdown Menu under **Mail Options** in the upper right corner to select **Block Unwanted Mail**.

When the next window opens, make sure that the box next to **Allow mail from all senders** is checked.

AOL Users Spam Filter Settings

Mail and Spam Controls

Mail and Spam Controls

Select a Screen Name in the dropdown menu below to set controls for:

Goofy Allow this Screen Name to view contents of Spam Folder

Control Who I Get Mail From

- Allow mail from all senders
- Allow mail only from AOL members
- Allow mail only from People I Know (Who are [People I Know?](#))
- Block mail from all senders
- Use a [Custom Sender List](#)
- Block mail containing pictures or files

Blocked mail should be:

- Permanently deleted
- Delivered to the Spam Folder

Control What is in the Mail I Get

Deliver the following to the Spam Folder:
Mail from senders in your Address Book and Buddy List will always be delivered to your main mailbox.

- Mail filtered by [AOL's Advanced Spam Filter](#)
AOL's Advanced Spam Filtering will automatically move junk mail and unwanted mail into your Spam Folder.
- Mail with clickable hyperlinks (URLs)
- Mail containing words on my [Custom Word List](#)
